AUDITPRORX • PHARMACY AUDIT PLATFORM

Release and Authorization Agreement

Confidential Legal Document

You've chosen to have AuditProRx assist in collecting wholesaler records on your behalf. This authorization is incorporated into this Agreement.

This Agreement is entered into between **[Pharmacy Name]** ("Pharmacy") and **AuditProRx**.

Effective Date: [Date of Acceptance]

1. Purpose and Authorization

Pharmacy authorizes AuditProRx to act as its authorized representative for the limited purpose of communicating with designated pharmacy wholesalers and obtaining relevant transactional records, including invoices, purchase histories, and related documentation. This authorization is granted to facilitate data collection, reconciliation, analytics, and audit-related services provided through the AuditProRx platform.

2. Scope of Authority and Data Handling

Pharmacy authorizes AuditProRx to request, receive, store, process, and analyze wholesaler records in electronic formats, including but not limited to CSV and Excel files containing standard invoice data fields such as NDC number, invoice date, item description, quantity, unit price, and total price. AuditProRx may utilize such data within its systems for purposes including audit generation, reconciliation, reporting, analytics, and continuous platform improvement.

Pharmacy acknowledges that such data may be normalized, aggregated, or integrated with internal systems to enable automated workflows and enhanced analytical outputs.

3. Limitations and Third-Party Reliance

AuditProRx shall not enter into financial agreements or obligations on behalf of Pharmacy. However, Pharmacy acknowledges that wholesalers and third parties may rely on this Agreement as sufficient authorization for AuditProRx to request and obtain the specified records.

4. Use of Data and Platform Outputs

Pharmacy acknowledges that data collected under this Agreement will be used within the AuditProRx platform, which includes the Inventory Reports, Aberrant Reports, Group Reports, Bin Search, Drug Lookup, Inventory View, Temperature Logs, and Leads and Notifications services, to generate reports, analytics, and insights. Such outputs are

intended for informational purposes and should be interpreted using independent professional judgment. The Pharmacy remains solely responsible for decisions made based on such outputs.

5. Confidentiality and Security

AuditProRx will apply commercially reasonable safeguards to protect the confidentiality of records obtained under this Agreement. However, Pharmacy acknowledges that no system is entirely secure and accepts the inherent risks associated with electronic data handling.

6. No Warranty and Service Nature

All services are provided on an "as is" and "as available" basis. AuditProRx does not guarantee the completeness, accuracy, or availability of any records obtained or outputs generated through its platform.

7. Limitation of Liability

To the fullest extent permitted by law, AuditProRx shall not be liable for any indirect or consequential damages arising from the use of this authorization, including issues related to data accuracy, delays in retrieval, or third-party actions. Any liability shall be limited to the fees paid for the most recent month of service.

8. Indemnification

Pharmacy agrees to indemnify and hold harmless AuditProRx from any claims or liabilities arising out of the authorization granted herein, including claims related to data access permissions, third-party disclosures, or regulatory obligations.

9. Term and Termination

This Agreement shall remain effective until revoked in writing by the Pharmacy. Notwithstanding termination, provisions relating to liability, indemnification, and data handling shall survive.

10. Dispute Resolution

Any disputes arising from this Agreement shall be resolved through binding arbitration in the State of New Jersey. The parties agree to resolve disputes on an individual basis and waive participation in class or collective actions.

11. General Provisions

This Agreement constitutes the entire understanding between the parties regarding its subject matter and may be updated by AuditProRx from time to time. Continued use of the platform constitutes acceptance of such updates. If any provision is held unenforceable, the remaining provisions shall remain in effect.

By accessing or continuing to use the AuditProRx platform, the Pharmacy acknowledges and agrees to all terms set forth above.
